

Advanced Biomedical Expertise  
BioMex certificate programme

## Online Application System Guide

The online application is a **8-step process**, before starting the process ensure that you have all **necessary documents** ready to facilitate a smooth and quick submission:

- ✓ Curriculum Vitae (CV)
  - ✓ Bachelor and/or Master Certificate
  - ✓ Bachelor and/or Master Transcript of Records with CGPA/ FGPA (Overall Grade)
  - ✓ Grading scale showing the minimum and maximum passing grade for your final CGPA
  - ✓ Letter of Motivation (LOM)
  - ✓ Signed Letter of Recommendation  
(from a professor or supervisor or employer, ideally on letterheaded paper)
- OPTIONAL: Proof of your significant professional qualification

### Step 1: Create an Account

On the registration page you will see the „**Online portal**“-button. Click it and start by creating an application account – use the “**New Application Account**“-button on the top and get started.

### Step 2: Receive your Login Credentials

Upon creating a user account, you will receive a **login and password per e-mail – use your login and password to start your registration.**

### Step 3: Select the Correct BioMex Course

To start your registration, please select the course as follows depending on where you live:

If resident in Ghana: **Advanced Biomedical Expertise (BioMex) - GHANA**

If resident elsewhere: **Advanced Biomedical Expertise (BioMex) - INTERNATIONAL**

A screenshot of a web form titled "Find courses offered". The form has a black header with the text "Search criteria" in white. Below the header, there are four rows of search criteria, each with a dropdown menu and a descriptive text box. The criteria are: Subject (Advanced Biomedical Expertise (Ghana)), Admission restriction (All), Degree type (All), and Semester (All). At the bottom of the form, there are two buttons: "Search" and "Reset".

Search criteria		
Subject	Advanced Biomedical Expertise (Ghana)	Here you can restrict the courses offered to the subject you want to study.
Admission restriction	All	Here you can restrict the courses offered to courses with unrestricted or restricted admission.
Degree type	All	Here you can restrict the courses offered to the degree you want to gain.
Semester	All	Here you can restrict the courses offered to the semester you want to apply for.

#### Step 4: Enter all Relevant Information

Go through the online registration form and fill in all required information – ensure all information is correct to facilitate fast processing of your application.

#### Step 5: Upload all Supporting Documents

Please upload all required supporting documents to the online registration form – for help with your supporting documents, please consult our guidance provided on the

NOTE: During the online registration, you can pause and resume the process any time, by entering your login and password. However, in the event of an interruption, please ensure that you have **saved your current data!**

#### Step 6: Check the Application Overview

Once you have completed the online registration, you will receive an **“Application Overview”**. Please **carefully check this overview** and ensure all information has been entered correctly and that all mandatory fields are marked “OK”.

The Application Overview will also display your **application number**, which is the number your application has been registered under. Please **save** or note down your application number as you will need it in case of inquiries.

#### Step 7: Submit the Registration Form

Only once all information is correctly and completely entered you can **submit** your
